The postal telegraph is still in the discussion in spite of the strong report of a Senate committee in favor of it; but each year sees it less distant.

The Republican candidates seem to be narrowing down to Blaine and Arthur, with Grant and Conkling favoring Blaine as against Arthur, but not against a dark horse.

At Washington, Representative Bellford has introduced a bill in the House to appropriate \$500,000 to erect a home at Fredericksburg, Va., for disabled Confederate soldiers.

An exchange says there are always more women than men in the insane asylum. It didn't seem to have time to look up the statistics and explain who sends them there.

The net profits of the Western Union Telegraph Company for the year ended December 31, 1883, were \$6,642,513, from which dividends amounting to seven per cent. were paid. The surplus for the year was \$377,046.

Tug applitude race according to the latest returns stands thus: Riddell, 50; Moore, 34; Kendall, 28; Scott, 18; Riddell has lost Elliot and gained Breathitt, which is an even exchange. Magoffin county gives Kendall three votes and sends Riddell delegates. One hundred and thirty votes are in and thirty-seven are to hear from.

As yet no authorized statement from Gen. Grant or from his counsel has been obtained regarding the allegations made by Fish, of the Marine Bank, that he had letters of Gen. Grant assuring him that the Government contracts of Grant & Ward were genuine. The friends of Gen. Grant say that he will show in a day or two that Fish's statements are false and entirely worthless.

A lady of Huntington, Pa., dreamed that her husband, who died thirteen years ago, came to her bedside, shook her by the arm, and told her to get up at once and open the door. She did so, and found the room filled with coal gas. The timely apparition saved her life—Pittsburg.

His Only Personal Property.

From the Troy Press.

The other morning a woman applied at the Surrogate's office for letters of administration on her husband's estate, the estate being worth \$10,000 and owing \$10,000 against the city. "Did your husband leave any personal property?" asked the surrogate. "Indeed, he did," replied the widow, "three boys and two girls."

He Went In.

Philadelphia Evening Call.

They were standing at the front gate. "Won't you come in the parlor and sit a little while, George, dear?" "No, I guess not," replied George, hesitatingly.

"I guess you would," the girl went on. It's awfully lonesome. Mother has gone out and father is up stairs groaning with rheumatism in the legs."

"Both legs?" asked George.

"Yes, both legs."

"Then I'll come in a little while."

COMMUNICATED.

MAYSICK, Ky., May 20, 1884.

Mr. L. W. Galbraith, candidate for Commissioner of common schools in this county, was circumspect with his friends Monday evening, and in his speech addressed a most appreciative audience in the presbyterian church. The subject of his discourse "our common schools," was treated in a masterly manner, and the audience, who had heard the discussion of the school question and its relations to the State and Society, with a careful and somewhat exhaustive examination of the advantages to be accomplished by methodical work. The factors that enter into the common school system, the duties of the commissioner and of teachers, "servants of the pupils, not masters" were concisely mentioned. Schools were to be open to all, and the "teachers of inabilities moral world and force of character to govern should be rejected," after which an emphatic peroration was rendered upon the present degraded condition of politics, the influence of money in politics, Mr. Galbraith was right heartily received by the soldi, who pledged him their undeviating support. We consider his election to the position his aspirations so felicitously incline him an absolute certainty. II.

DERBY RACES.

London, May 29.—The race at Derby, won by heat between St. Gaiter and Harvester.

The race took place at Epsom Downs. Sir John Willoughby's filly, Queen Adelaid, came in third. The other starters were: Sir M. Merton, third; Sir L. Lorraine, Osborne's Waterford, Prie's Bedouin, Walton's Richmond, McIntyre's Beauchamp, Jardine's Borneo, Long's Conqueror, and, in the race for the Gold Cup, Harvester, the Hopeful, Dutchman, Rothchild's Wallaman, Leve's Brest, and Rothchild's Woodstock.

The betting before the race was two to one against Queen Adelaid, five to one against St. Gaiter, and three to one against Talyman, ten to one against St. Gaiter, twelve to one against Beauchamp, twelve to one against Waterford, fourteen to one against Harvester, eighteen to one against Long's Conqueror, and twenty to one against Rothchild's Woodstock.

The betting was not run off. The stakes were divided between the owners of St. Gaiter and Harvester. At the start St. Gaiter took the lead, Richmond next, Conqueror last.

The weather was cool and the sky overcast, nevertheless the Downs were black with people and a great crowd stood around the track to witness the ladies putting on money freely. The race was one of the most exciting for years.

THE LAND GRANT SIMPLIFIED.

LONDON, May 29.—The Hon. Mr. Trevelyan, Chieft Secretary of Ireland, has introduced in the House of Commons a bill to simplify the land grant by which tenants are enabled to purchase their holdings. The interest on the loans granted by the State is reduced to 3½ per cent., and the term of payment is extended to the payment of principal, with repayments extending over a period of forty years. The State will furnish the whole of the purchase money where the property is considered untenanted and the security offered is good, repayments to be made in thirty-three annual installments with 3½ per cent. interest.

The amount that may be advanced by the State in any one year is limited to \$2,500,000, and the entire sum to be devoted to this purpose must not exceed \$10,000,000. This is announced to be the amount that the State will concede in this connection. The bill was read for the first time last night, after which the House adjourned till June 5.

VIOLATIONS OF LAW

Charged Against Officers of the Wall Street National Bank.

NEW YORK, May 29.—The Hon. W. Evans Cornelius, P. S. W. of the Wall Street National Bank, John C. Dickinson, cashier, came before United States Commissioner Griffith this afternoon on a charge of violating the national banking act in the issue of checks. The testimony showed that on August 12 the account of Cecil Ward & Co. with the bank was overdrawn \$97,375. The firm promised that securities would be deposited in the bank. Checks were accepted.

The bank officers' defense was that the acceptance of checks was not a certification. Commissioner Griffith says in his defense: "I cannot avoid the conviction that this mode of accepting checks was resorted to for the purpose of avoiding the law."

Counsel wanted to know what bank would be responsible for the checks.

District Attorney Foster said he would accept a joint hall bond for \$5,000.

State's Attorney Simpson said he did not want to be on an hall bond. He said the bank officers advised with ex-Judge Choate and ex-Secretary Bristol before they began the acceptance of checks.

He said that all banks were doing what the officers were doing.

The offense charged against the officers is punishable by \$5,000 fine, or five years imprisonment, or both.

House as Lincoln Davis, Mayfield,
Ky., and was employed here as a teacher
at the Gymnasium. Saturday night he
skipped the town, leaving behind him
an unpaid board bill. The first intimation
the proprietor of the Alexander
House got was given him yesterday by a
little negro boy who said: 'Boss, I saw a
man pitching his baggage out of the
window last night.' An investigation
was at once made resulting in the finding
of no baggage in room number twenty-
eight, the one occupied by Lincoln Davis.

THAT \$15,000 PRIZE

Drawn by Engineer Isaac Haines.

The lucky holder of one-fifth of ticket
10,342, which drew the capital prize of
\$75,000, in the Louisiana State Lottery
last Tuesday, is Mr. Isaac Haines, the
engineer of passenger engine No. 51, on
the Memphis and Charleston Railroad.
The gentleman was interviewed at
Chattanooga last Wednesday, by an at-
tache of this Times, and that journal on
yesterday had the following on the subject:
"I'll tell you how it happened, said Mr. Haines. I happened to find a small
old dollar bill in my pocketbook when
in Memphis last week, and, while
wandering along the street, concluded to
buy a lottery ticket. I put it away and
thought no more of it until this morning,
when a gentleman showed me a telegram from
New Orleans, stating that ticket No. 10,342
had drawn the capital prize, \$75,000,
in the Louisiana State Lottery.

Remembering that I had a ticket I hunted
up with the number telegraphed," Mr.
Haines is undecided what he will do with
the money, but it will be put to good use.
He has been running an engine on the Memphis road 14 years,
and is held in high esteem by his em-
ployers. He has supported two sisters
and an aged father for years on the
Southern, Ala. A few months ago
he was in a pool for a ticket in the same
lottery and drew a large prize, receiving
\$600 dollars for his share—Memphis
(Tenn.) Ledger, May 16.
